# About Camp Reily

Camp Reily is a **28 acre campground** that was gifted to the YWCA Greater Harrisburg by the Reily family in 1927. It is located off of **Fishing Creek Valley Road**, 15 minutes north of Harrisburg - close enough to be convenient, but far enough to feel like a whole different world. Camp Reily is truly an **“out in the sunshine, under the trees” summer camp experience just minutes from the city!**

The YWCA has been holding its **annual summer day camp** at Camp Reily for almost 90 years. Camp is always a flurry of excitement, from the time school lets out until the nights start getting cooler and school is ready to start back up. Campers are offered an **authentic camp experience** by a **professional staff** for an **affordable price**, with the average day consisting of camp songs, field sports, swimming, arts and crafts and so much more.

The YWCA has been lucky enough to make some much needed **improvements to our camp facility** over the past few years, due to generous grant funding. Camp Reily now has an enormous sports field, updated restrooms and a paved road to make your trip to camp more comfortable.

Along with these great facility updates, we've made exciting **changes to our summer camp program** as well! This year, we are rolling out an **all new camp format** that includes guest speakers and weekly field trips that correspond with new weekly themes! Parents may now also **select the individual weeks** they would like to register for, without the commitment of signing up for an entire summer. Finally, registering for Camp Reily is now easier than ever before, with the **registration process entirely online** for the first time.

Our updated summer program focuses on each camper as an **individual**. We have created a curriculum that involves **physical activity, educational components and personal growth**. We will also be taking **weekly field trips** to various Central Pennsylvania locations to expose our campers to all of the amazing experiences right outside of their door.

2016 is a big year for Camp Reily! We hope that you will take the time to come see the facility and consider what we may have to offer you and your camper.

Summer camp is available for **ages 6 (completed kindergarten) through 12 years old**. Please visit [www.ywcahbg.org/campreily](http://www.ywcahbg.org/campreily) to view a list of summer camp FAQs, check out our fun weekly themes and register right online today!
